

EIS Audio Power Runs 2022

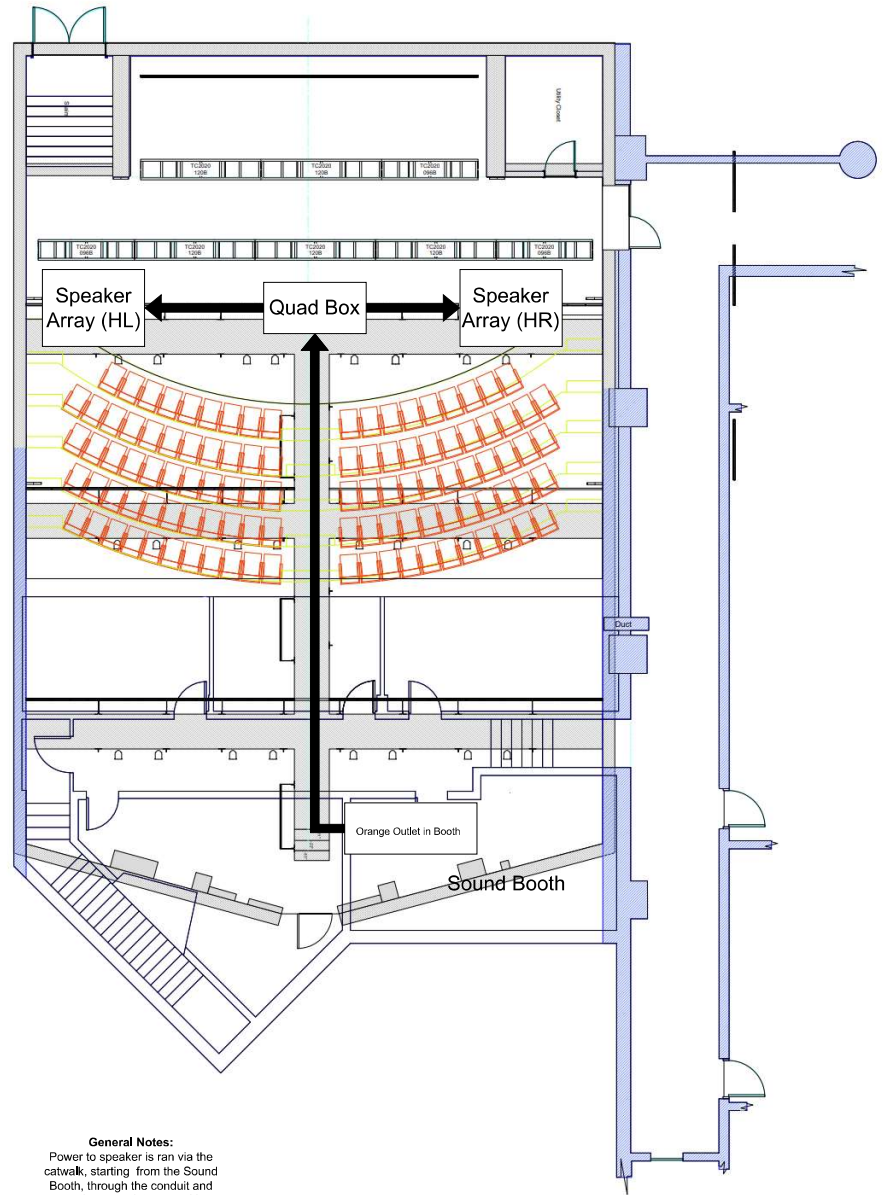

Stage Power Runs

- A CIRCUIIT LSP1-7
- B CIRCUIIT LSP1-5
- C BREAKER

General Notes:
 Bundle coming from "B", runs off the stage to keep deck clear. The bundle is ran along the wall, then tied to a hoist rope tide to the 2nd truss

Catwalk Power Runs

General Notes:
 Power to speaker is ran via the catwalk, starting from the Sound Booth, through the conduit and along the catwalk to a quad box located above Catwalk 3
