Hiring Design Team Member
Hurst New York
217 W 37th St, New York, NY 10018

Dear Hiring Design Team Member:

I am writing to express my interest in the design team member position for Hurst New York. I believe that I am the perfect candidate for the position because of my current experience as a freelance designer and my skill of using design software such as Adobe Photoshop and Adobe Illustrator.

I am currently a full-time college student, attending the CUNY New York City College of Technology and majoring in Business and Technology of Fashion. I have a current GPA of 3.550. I'm aiming to get a bachelor's degree in business and graduate by 2023. My time in City Tech has increased my knowledge within the fashion industry.

My experiences and skills can improve your brands designs. As my time being a freelance designer, I have created business and brand logos for successful companies, and I have received multiple "Thank You" letters from customers about how the design I created was what they wanted. I am very committed to creating designs for your brand and create an impact. Thank you for your consideration, I hope to hear from you soon!

Sincerely,

David Bautista
