

**Peer Feedback Worksheet for Unit 2 Curiosity Report**

Use this worksheet in groups, pairs, or on your own to revise and clarify each analyses in the report. If you cannot answer a question, discuss, add to, and revise the analysis.

Are the four sources drawn from at least three of the categories of genres required in the assignment?  
\_\_\_\_\_. List the genre of each source here:

A.

B.

C.

D.

**For each source, consider whether the following questions have been answered in the analysis:**

1. Is the medium or media that of the source identified? If so, what is it called? If not, identify it (e.g. a website, print advertisement, news article, brochure, poster, etc.).
2. Are the physical features of the source adequately described? (i.e. the formal constraints) List a 2 or 3 visual elements, sound elements, the size and shape, use of color, use of still or moving images, etc.
3. Is the purpose and/or argument of the source clear to readers? Can either be clarified?
4. What is the rhetorical situation or occasion?
5. What rhetorical appeals are discussed?
6. Who is the audience? Can the audience be more clearly identified?
7. What do you know about the writer/producer/company or corporation/author/creator of the source? How does that affect the source's credibility (ethos)?
