Jiaming's Electronic Profile

Welcome to my profile! My name is Jiaming Huang and I am 20 years old. I was working in a coffee shop for a year, but now I am working in a dim sum restaurant as a waiter. I am interested in customer services because I like to talk to people and listen to them. I intend to open a restaurant in the future, so I am learning experiences from my job about how restaurant is operated. Moreover, this major is able to help me learn about how to managing a restaurant and develop my professional attributes.
