## Kyunghee's E-profile

Hello Everyone. My name is Kyunghee Kwon. I am majoring in Hospitality Management. I am a transfer student. I am interested in the hospitality industry. I choose this college because of the major, Hospitality Management. I used to work in a restaurant and I realized I really enjoyed this job. I was very happy when guests were satisfied with their dining in the restaurant. I want to become a general manager in a restaurant, or open my own business. I am also interested in hotel management. I do not know much about it, but I am learning it.
