

Delbert Vasquez

NY CITY COLLEGE OF TECHNOLOGY, COMMUNICATION
DESIGN STUDENT

New York City | delbert.vasquez@mail.citytech.cun.edu

Objective

The goal is to have my portfolio presentable enough to be reviewed. My main goal is to stay on track with my college education at city tech, complete my associates and bachelor's course, and hopefully find a job at an animation studio here in the city.

Experience

I have been drawing since elementary school, and since high school, I have created a physical portfolio, a sketch book portfolio, and a digital portfolio. Years of character modeling, illustration, and digital artwork.

Education

- 1) High school of Art and Design
- 2) New York City College of Technology (Current Student)

Skills & abilities

- Adobe photoshop, illustrator, gimp, adobe premiere, and animate cc
- story boarding, character modeling, inking, line art, perspective drawing, figure drawing
- Photography, filming, logo designing, proficient coding, and video editing.
- Skillful in mathematics and bilingual.
