

Rubric for OpenLab Project

/20

| | Exceeds Expectations (4 Points) Portfolio reflects evidence of learning integration and cohesiveness. | Meets Expectations (3 Points) | Needs Improvement (2 Points) | Unsatisfactory (1 Points) Portfolio is incomplete in required components or components do not demonstrate learning integration and cohesiveness. |
|--|---|---|---|---|
| Content | Uses content from EDU courses and practical teaching experiences to frame ePortfolio, defines all terms, explains or narrate ideas in detail and own words. | Uses some content from EDU courses and practical teaching experiences, defines most terms, and/or explains or narrate most ideas in detail or own words. | Uses some content from EDU courses and practical teaching experiences, does not define terms, and or/meaning is unclear. | Does not use any content from EDU courses and practical teaching experiences. |
| Artifacts (Artifacts are images, audio clips, videos, other documents, etc.) | Includes a variety of artifacts in different media formats. Artifacts are appropriate, effective and enhance ePortfolio. | Includes artifacts in a few media formats. Artifacts are generally appropriate, effective and enhance portfolio experience. Most artifacts illustrate student's knowledge of course concepts and/or showcase relevant skills and abilities. | Includes artifacts in limited media formats. Some artifacts are inappropriate or distracting. Some artifacts illustrate student's knowledge of course concepts and/or showcase relevant skills and abilities. | Includes artifacts in only one media format. Artifacts are not related to purpose of ePortfolio and are inappropriate/distracting. Most artifacts do not illustrate student's knowledge of course concepts and/or showcase relevant skills and abilities. |
| Context | Artifacts illustrate student's knowledge of course concepts and showcase relevant skills and abilities. | Clearly and concisely describes most artifacts. Explains most artifacts' relevance to the concepts in ePortfolio. | Describes some artifacts. Explains some artifacts' relevance to the concepts in ePortfolio. | Describes few artifacts. Does not explain artifacts' relevance to the concepts in ePortfolio. |
| Completeness | Includes a total of 8 pages of narratives with artifacts that correspond to 8 second-level menu items. | Includes a total of 7 pages of narratives with artifacts that correspond to 7 second-level menu items. | Includes a total of 6 pages of narratives with artifacts that correspond to 6 second-level menu items. | Includes a total of less than 6 pages of narratives with artifacts that correspond to less than 6 second-level menu items. |

| | Exceeds Expectations (2 Points) Portfolio reflects evidence of learning integration and cohesiveness. | Meets Expectations (1.5 Points) | Needs Improvement (1 Points) | Unsatisfactory (0.5 Points) Portfolio is incomplete in required components or components do not demonstrate learning integration and cohesiveness. |
|--------------------------|---|---|---|---|
| Navigational Menu Items | Navigational menu has a total of 4 top-level menu items (e.g. About me, Teaching Beliefs, Teaching Experience and a fourth one that you will choose) and total of 8 second-level menu items (2 second-level menu items for each of the 4 top-level menu items). | Has a total of 3 top-level or total of 7 second-level menu items. | Has a total of 2 top-level or total of 6 second-level menu items | Has a total of 1 top-level menu or less than a total of 6 second-level menu items |
| Language and Referencing | Always conveys meaning accurately, with no grammatical or spelling errors. Has no citation or bibliographic errors. | Often conveys meaning accurately, with few grammatical or spelling errors. Has few citation and bibliographic errors. | Sometimes conveys meaning inaccurately due to grammatical or spelling errors. Does not include complete citations and bibliography. | Often conveys meaning in accurately due to many grammar and/or spelling errors. Does not include any citations or bibliography. |
