Dear Nurse Recruiter:

Ms. Eguolo George has asked me to write a letter of recommendation on her behalf for a position as a registered nurse in your agency. Ms. George graduated June 2009 with an Associate Degree in Nursing Science from New York City College of Technology.

I had the pleasure of teaching Ms. George during the Fall 2007 semester in an acute medical-surgical nursing course. In the classroom setting Ms. George tested within the mean of the class. In the clinical setting, she had performed satisfactorily.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Lynda M. Konecny'.
