LILLY LIMESTONE

OH MY GOD! I'm so sorry!

Nervous laughter fills the air, a crowd fills behind the three.

GRANET SLATE

Yeah! I'm sorry on her behalf! Look out for her on the stairs too!

Oh it's no problem at all.

They three part ways. Rockelle heads to the local elevator as Lilly and Garnet head into the express. The door closes.

GRANET SLATE

Yeah it is! She's in this class. Better hope she doesn't want revenge.

(Lilly and Garnet introduce themselves and try to break

tension as class begins)

ROCKELLE BOUDLER

Survival Guide")

White notebook backdrop

LILLY LIMESTONE

In order to not die you've got to do three  
simple things ...

Interrupted by Granet

GRANET SLATE

Yeah! Three simple things, one, find a  
good support system, two, ensure a healthy  
balance of sleeping and eating, and three,  
find a balance between school work and  
your nonexistent social life.

LILLY LIMESTONE

A good support system means you have a  
team to back you, help you, learn, and  
even cry with you.

GRANET SLATE

Yeah! Crying happens a lot around here.  
Writers are so emotional.

LILLY LIMESTONE

It's safe to say the work load gets  
hectic. You either lose sleep or forget to  
eat.

GRANET SLATE

So set your alarm for 12 minute naps, and take advantage of all the free food you can find.

ROCKELLE BOULDER

Uh huh! Uh huh! Yeah got it got it.

LILLY LIMESTONE

Lastly, always remember to keep up with your work.

GRANET SLATE

At least 10-15 extra hours outside of the classroom to ensure that you stay on top of everything.

LILLY LIMESTONE

Your social life might cease to exist but if you say on top of it you might get to leave your room once a month on a Sunday for a snack.

DISSOVLES TO:

ROCKELLE BOULDER

Okay I got it. I think I can do this.
