David Herrera

8117 Third Avenue Brooklyn, New York 11209 C: (347) 874-6759 David.herrera8117@gmail.com

EXPERIENCED ELECTRICAL TECHNICIAN

Objective

Looking to obtain a position in which I can use the knowledge along with experience as an electrical technician in a company that recognizes hard work along with a positive attitude as being part of a person's successful job performance.

Employment History and Responsibilities

Senior Electrical Technician

01/2010 to Present

Light wave Energy.

Conduct surveys on commercial and residential places which are used to design and install green energy efficient systems to retail and industrial industries. Performed required calculations on the cut down of energy consumption by customers that qualify to participate in the local utility's green energy program.

Field Service Electrical Technician

01/2008 to 12/2009

Sylvania Lighting.

Provided quality service to a variety of retail customers in a professional manner. Responsible for ordering, maintaining a proper amount of material in stock and driving company bucket truck in the city and outer boroughs. Trained new technicians on customers lighting specifications and showed them how to use Sylvania's system that was used to complete service calls.

Journeyman Electrician

09/2003 to 09/2007

US Marine Corps.

Responsible for planning, installation of power distribution systems, troubleshooting of electrical circuits and maintenance of power grid which was used by US Command forces overseas.
