Mr. John Smith
Environment Artist
Avalanche Studios
536 Broadway
New York, NY 10012

Dear Mr. Smith,

I am an animator seeking an environmental artist internship at Avalanche Studios. I am currently studying animation and although I may be inexperienced, I feel that I could contribute to your company on an interim basis.

I have been interested in animation for quite some time now and with a few years working in this particular field, I feel confident in my abilities. My duty as an environmental artist is to follow one's own creative mind and create a well-developed environment both fun and exciting to the players. I have been involved in various small projects in the past that included 2D gaming environment models.

I am grateful that you took the time to read my letter and if needed, I will gladly provide you with any additional information. Thank you for your consideration and I hope to hear from you soon.

Sincerely,
Aaron Feng
