Dear Marvel:

I have learned from your website listings that you are recruiting interns and I believe my ideal position is in Creative Services. This position is of great interest to me because it allows me the opportunity fulfill my career goals as well as promoting my work in my desired market place, home décor. I have substantial knowledge in the computer programs required, which can be seen in my portfolio.

I bring a strong up-to-date knowledge and skills in multimedia tools and graphic arts production as indicated in my resume. Furthermore I have completed several projects during my undergraduate college experience which include illustration and design projects, company branding and typographic design. For each project I utilized a variety of programs such as Photoshop, InDesign and Illustrator. My experience in Design is extensive as seen in my enclosed resume. I have experience in leadership positions and in all forms of multimedia.

It would be my pleasure to discuss my qualifications in an interview at your convenience. Please contact in at (646) 229- 957 or email me at [AdriRodriguez7@gmail.com](mailto:AdriRodriguez7@gmail.com)

Sincerely,

Adriana Rodriguez
