OBJECTIVE To find a position in a company as a Graphic Designer where my skills and abilities would be utilized to provide quality services to clients.

EDUCATION

Dec 2015
(Expected)

New York City College of Technology (CUNY) – Brooklyn, NY
Bachelor of Technology in Communication Design
Cumulative GPA: 3.8/4.0

Related Courses

Advertising I, II Information Design
Corporate Identity Typography I - IV

Honors

Dean's List; National Society of Collegiate Scholars – *Member*

SKILLS

Problem Solving

Directed a customer to a nearby location that was carrying the merchandise item we no longer had in stock.

Organization

Organized merchandise through separations of type, color, and size in descending order. Retrieved items misplaced on the sales floor back to their proper displays, maintaining the store's presentation to customers.

Interpersonal Communications

Attended to customer needs, answering their questions and providing solutions to their various issues or concerns.

Leadership

Team leader in various course projects. Assigned roles to team members and devised a schedule for work to be completed so that deadlines would be met on time. Maintained contact with team members to ensure they remained on task.

EMPLOYMENT

July 23 –
Aug 01, 2014

House Sitter, Self-Employed – Bronx, NY

Dec 2010 –
Jan 2011

Customer Experience Associate, Old Navy – New York, NY
