Assignment #10

By now, you should have already [downloaded Max 8 software](#) and installed it on your home computer. I posted the Max 8 license key zip file, along with the PDF instructions sent to us by the company, on August 26th on Slack (it's pinned to the #general channel). Also by now, you should have completed Assignment 9, which covers some of the software's history, features, and common uses by composers and others.

1. Complete these two video tutorials, which can be started during Class #26:

 ☐ Tutorial 1: https://vimeo.com/415679601/f2286e8067
 ☐ Tutorial 2: https://vimeo.com/415903363/f85fdc8302

 Submit both of your patch files as a DM (direct message to me) via Slack

2. Take this online quiz, which can be done during Class #27 or before:

 ☐ Quiz #1 (via Google Forms): https://forms.gle/nEmXVK8o45Kr8MmZ8

3. Complete these two video tutorials, which can be started during Class #27 or before:

 ☐ Tutorial 3: https://vimeo.com/416182341/dfe9930662
 ☐ Tutorial 4: https://vimeo.com/416347821/2478d2abed

 Submit both of your patch files as a DM (direct message to me) via Slack

** All of this must be completed before Class #28 begins, because there will be another online quiz during that class. This whole assignment is a prerequisite to Project 4. **
