

Clip: A Lovecraft Dream, <http://thetillinghast.altervista.org/dream.html>, CC Derivative Works Allowed

Scene: The short opens with shots of the moon and a small town. As the shot zooms in on the main character asleep in bed it then goes *into* the dream that the Protagonist is having. This is where my clip begins.

Start Time: 00:01:24

Timecode	Action
00:01:24	White screen – Begin Music
00:01:26	Fade into a sweeping shot of the town that ends with protagonist in view
00:01:43	Reverse camera shot to opposite of 180 degree axis
00:01:51	Evil man appears and disappears quickly – Evil Man <i>Gong</i>
00:01:54	Evil man appears and disappears quickly, again – Evil Man <i>Gong</i>
