Portfolio RUBRIC

This is a sample document only
used as a placeholder for media
for E-Portfolio Templates

Points	Content	Links & Materials	Reflections
5	High quality content that demonstrates a wide range of learning experiences.	All materials and referenced hyperlinks work and are valid. Materials are highest quality.	All reflections, captions and notes provide vivid and clear descriptions.
4	Good quality content that demonstrates a wide range of learning experiences.	All materials and referenced hyperlinks work and are valid. Most of the materials are of highest quality.	All reflections, captions and notes are complete and provide clear descriptions.
3	Moderate quality content that demonstrates a wide range of learning experiences.	Materials and hyperlinks work and are valid with few exceptions. Many materials are of very good quality.	Most reflections, captions and notes provide good and clear descriptions.
2	Marginal quality content that demonstrates a wide range of learning experiences.	Most materials and referenced hyperlinks work and are valid. Materials are fair quality.	Few reflections, captions and notes provide descriptions.
1	Low quality content that demonstrates a wide range of learning experiences.	Few materials are present and most of the hyperlinks do not work or are invalid. Materials are poor quality.	Few reflections, captions or notes are available and few descriptions are provided.
0	Content not completed or provided in required time or as directed.	Links and materials do not meet requirements or are missing.	Reflections, captions and notes are missing or do not meet minimal standards.
