**FAQ**

**Do I need ALL items listed?**

YES this is a MINIMAL list of must-have items for this class, that have been very carefully selected for you.

\*\* We ask that you buy the materials and tools EXACTLY as specified - do not replace items with 'similar' looking ones.

**By WHEN do I need to have these?**

We recommend that you buy all the materials listed at once, and have them available for the first class.

\*\* If you are ordering materials online, please carefully check the shipping dates to ensure timely delivery.

\*\* Consider curbside pickup if available in your location.

**What is the cost?**

\*\*You will use the tools listed throughout your studies in architecture.

The selection was carefully made with low-cost options in mind where possible. The total cost for the tools is approx. \$130.

In addition, you will be required to purchase model making materials, the estimated cost is approx. \$50-60 for all projects this semester.

\*\* Request student discount

**WHERE can I buy?**

\*\* It is recommended that you buy the items from Blick Art Supplies and Michael's as specified, by following the links below.

\*\* See below additional art supply stores for your reference.
