before. With The Future Connoisseurs, he  
× ms to connect the future realms of art,  
innovation, design, and ultra-luxury with  
the highly niche audience ready to embrace  
them.

ADVISORY  
BOARD

- Music - Being able to mute music is a good aspect

- Categories Categories seem very broad even though they are all luxury level, maybe becoming more niche such as luxury fashion or luxury tech

## FUTURISTIC OUTLOOK

The aim is to strive for excellence and quality, to have creations that last as long as possible. That are handed down from generation to generation, adapting and transforming over time.

CATEGORIES  
WE GRATIFY

- Innovator vs connoisseur - Not to clear of what it means to be an “innovator” or “connoisseur”. A definition here would help or examples of people who are. Also is one better than the other?
