

TONIGHT: WESTERN CONFERENCE
SEMIFINALS GAME 2
THE WARRIORS AND THE ROCKETS TONIGHT
@10:30pm ET

After defeating Harden and the Rockets, Durant is ready for another win tonight.

If the Rockets don't give it all they got then the Warriors will be up 2-0. But the Warriors need to step up their game too, Sunday's game ended with just GSW 4 points ahead leaving all the Rocket fans on the edge of their seats.

Harden needs to pull it together for tonight's game and get the W. They have up to game 4 to decide how they want to end their season. The Rockets made it this far so they should step up their defense.

The Warriors should also step up their defense and improve their communication skills on the court.

Well that's wrapping up the match up!

Now who are you routing for tonight? GSW or the Rockets? Let me know in the comments below and don't forget to tune in on TNT to watch tonight's game 2 and watch James Harden and his team come together to fight for the win against Kevin Durant and the Warriors.
