

Electronic Profile Assignment

5% of total grade

Due week 2

Task

Reflect on who you are as a student, industry professional, and future industry leader. Then write a personal profile. Think about your:

- Academic experience and academic goals
- Career experience and career goals
- Personal strengths
- Personal interested that enhance your professional attributes

Role and Audience

Everyone and anyone as it will be posted on our course website on the OpenLab. Specifically think of how faculty, peers, and prospective employers will learn about you through your eportfolio.

Format

Post to our HMGT1101 OpenLab site and, upon approval, your personal eportfolio site found on the OpenLab

To post to course site:

- Go to the course dashboard, choose “posts”
- Enter text into text box
- Go to “categories” section and choose “Electronic Profile”
- Click “publish”

Expectations

Students will exhibit their ability to be concise when expressing themselves in an academic and a professional manner.

Student Learning Outcomes

Upon completion of this assignment, students will be able to:

- Identify and articulate a personal profile for a public forum
- Discuss, in a short profile, attributes of a student and industry professional
- Utilize various features of OpenLab

Rubric:

	Full Credit	Partial Credit	Resubmit
Content	Concise explanation of academic and professional experience and goals	Explanation of academic and professional experience and goals could be improved	See suggested edits
Proof Reading and Editing	Free of errors	Minor errors	Errors interfere with communication of content
