Barone, Joshua. "astronomy Night at the Intrepid Museum." *New York Time*. Jan. 22, 2015. <http://www.nytimes.com/2015/01/23/nyregion/astronomy-night-at-the-intrepid-museum.html?rref=collection%2Ftimestopic%2FIntrepid%20Sea-Air-Space%20Museum>. accessed 25 mar. 2019.

Since little I always thought to see an airplane or a space rocket near, so the intrepid sea air & space museum has all of this that I have been thinking on, from oldest airplanes to the newest and what better to have them with some educational information that can enrich our conscience to get more knowledge about those important and historical value that we can find in this museum.
