Beverage Tasting Framework

Tasting of beverages will commence after the component tasting and continue throughout the semester. Students under the age of nineteen (19) years of age are not permitted to sample alcoholic beverages and tasting is not required. Students whose religious beliefs or medical conditions forbid or prevent drinking alcoholic beverages are not required to taste. Techniques of beverage tasting and the protocol will be demonstrated and explained during the first weeks of the course.

Students are requested to cooperate with the instructor and guest lecturers and each other in setting up the classroom, procuring wine glasses, ice buckets, towels, cutting bread and cheese, waste buckets, garbage pick-up and bussing, and when tasting is completed, remove glasses, bottles and trash. The entire classroom is to be clean prior to dismissal.

It is important as Hospitality Management students to be concerned with the necessary sanitation and housekeeping aspects of the course.

Seating Arrangements

Seat assignments are necessary due to the nature of the tasting. Each student will be required to take the same assigned seat for each class meeting.
