

## OTHER IMPORTANT STUFF!!

**Cite Properly!** Check the handout on citation (under RESOURCES!) Even if you are making a video essay-- or a puppet show-- you must have a "Works Cited" page.

**Proofread:** Run spellcheck! Read through your paper (or comic book, or poem) for errors) This also applies to videos and other media. Watch them and double check there are no "mistakes."

**Lateness:** Be on time. We're at the point in the semester where we don't have a lot of time to spare. This is your last major assignment-- there is no leeway for lateness anymore.

**Plagiarism:** If you cut and paste your paper from the Internet, or if you get someone else to write it for you, or if you steal your work for this assignment in any way, you will fail this assignment and very likely fail this class. So-- don't!!

**Assignment:** MAKE SURE YOU ARE FOLLOWING THE GUIDELINES OF THE ASSIGNMENT. IF YOU HAVE QUESTIONS, ASK YOUR PROFESSOR!!

# DUE MAY 16!

# FINAL MAY 21!

Please note, this is a SEPARATE unit. That is, this grade will not replace the grade of the unit you are revising. If you are very unhappy about a particular grade, you may revise that paper. In this case, I want you to think about doing something very new, not simply "cleaning up" an old paper.

# HAPPY SUMMER!!
