To whom it may concern,

I am writing to express my interest in the exciting opportunity at KITH in Footwear Assistant Buyer. As informed on GLASSDOOR.COM on October 20th, 2019 and I am excited by the possibility of joining the team. KITH has always been a brand I follow with admiration. I aspire the vision of KITH that captures street culture with fascinating marketing including newly co-branding and selection of merchandising.

Currently I am a senior student at New York City College of Technology City University of New York with Baccalaureate degree in Business and Technology of Fashion. Through four years of academic years, I was able to obtain skills and understanding in the fields especially in merchandising planning, visual merchandising and branding image. Since my sophomore year, I have been delighted to have opportunities to join several fashion firms as PR/ Wholesale intern at Organico Showroom, Marketing intern at S-Go International, Merchandising Buyer assistant intern at Isetan Mitsukoshi Holdings as well as my current internship at KAAREM as Wholesale/ E-Commerce that included both small and large responsibilities which allows me to grow as a professional.

Along with my Baccalaureate degree in Business and Technology of Fashion and past three years of internship experience, I was able to obtain proficient skills in data analysis along with Microsoft Excel and G Suite. I believe I will be a strong addition to your team and contribute to the ongoing operation success of KITH.

I look forward to discussing my qualification with you.

Sincerely,

Haluhi Kato
