

ENG 1101 – English Composition I
City Tech Library • <http://library.citytech.cuny.edu/>

Today you will use library and internet resources to find credible information for your assignment.

Your research topic: _____

Find Internet Sources

Search the internet to find **at least one** credible source that seems relevant to your topic.

Source Title: _____

Author(s): _____ Publication Date: _____

URL (web address) so you can find it again: _____

What search terms did you use to find this website? _____

Find Books and Multimedia

Search the library catalog to find **at least one** book/multimedia source in the City Tech Library (or other CUNY libraries) that seems relevant to your topic.

Title: _____

Author(s): _____ Publication Date: _____

Call number for this book so you can find it in the library: _____

What search terms did you use to find this book? _____

Find Articles from Scholarly Journals, Magazines, and Newspapers

Search a library database (like Academic Search Complete or LexisNexis) to find **at least one** article that seems relevant to your topic. Try emailing an article to yourself so you can read it thoroughly later.

Article Title: _____

Author(s): _____ Publication Date: _____

Journal/Publication Title: _____

What search terms did you use to find this article? _____

Remember to evaluate **ALL** sources that you use for your assignments to determine whether they are credible, accurate, expert, objective, and current.

Do you have **more questions** about doing research on your topic?
Bring this worksheet with you to the Reference Desk and **ask a librarian!**
