Dear Professor Kezerashvili:

I am glad to know that your department will submit a proposal for ID Course Modern Physics. As a applications of quantum physics, the quantum computing and quantum information have been taught in many universities and colleges. In 2007, I taught Quantum Computing and quantum information as an IDS course at CUNY Graduate School.

I am happy to be a guest speaker for the chapter of ***Quantum Computer and Quantum Computations*** in this proposed course and will provide the guest lecture.

Sincerely,
