Action Items

Good afternoon Diana,

The course looks interesting, and I'd be honored to guest lecture one day. I'd like to review the syllbus, and also reach out to some people I work with at the DOE for some input. Maybe we can meet this spring to discuss further? My classes have just begun, so let me know when you might be available.

Thanks,
Susan

Subject: Guest lecture in SOC 2380: Sociology of Education

Dear Professor Caprio,

I am developing a proposal to designate SOC 2380: Sociology of Education as an interdisciplinary course that will cover a wide range of topics related to educational systems, practices, and approaches.

Professor Roberts suggested contacting you as somebody who has the expertise and may be interested in doing a guest lecture in this class. It would be wonderful if you could visit the class and present on a topic of your choosing.

It is also possible to swap guest lectures with the instructor who will be teaching SOC 2380. We expect the course to run in the fall semester. I am attaching the course outline for your review.

Please let me know if you are available. Thank you in advance.

Warm regards,
