To Whom It May Concern -

I am writing this letter on behalf of Ms Ilona Kozzo RN. I have been her immediate supervisor since May 2009. We work the night shift in labor & delivery and are often challenged with heavy workloads and staffing shortages. Ms Kozzo is always up to the challenge. She "thinks on her feet" and responds quickly in crisis situations. She works well with other team members and is always helping others when she can. Ms Kozzo gives excellent care to her patients both physically and emotionally. She excels at patient and family teaching. Her documentation skills are excellent. It has been a pleasure and a privilege to be her charge nurse, and I most sincerely recommend her to you -

Sincerely,

Jane Majewski ATN
