To Whom It May Concern:

I have known Jawwad Butt in his capacity as a student in the Kingsborough Community College since he began the Nursing Program, graduating in December 2012 with an overall GPA of 3.03. He has always conducted himself with the utmost professionalism and dedication to the nursing profession. He was active in the Nursing Club, participating in new student Orientation and volunteering for the Pinning ceremonies. He is hard working and dedicated to patient care. He will be an asset to your institution in the staff nurse position. I highly recommend him for the position. Please feel free to contact me if you have any other questions.

Sincerely,
