

Fade in from black.

Video starts with a man getting a shotgun out of his locker. Ready for a riot/protest.

Then it cuts to a close-up shot of the man holding the gun. Staring at the camera sternly.

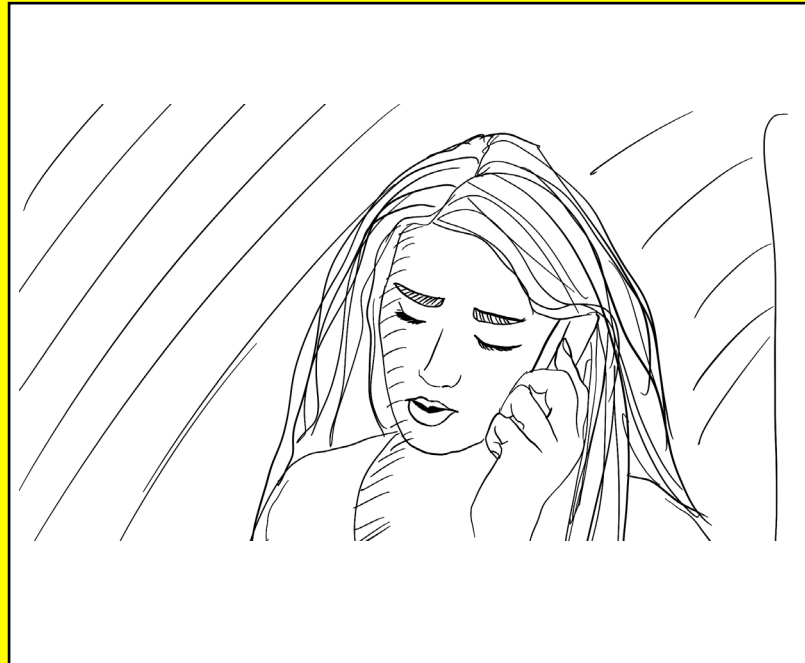

Then it cuts to a woman getting ready for her day. Going to her room to finish up.

The next scene sees the women put her hijab on. However, she looks worried.

The next scenes has a different man reloading and cocking his pistol ready to fire on any protestors.

Then it cuts to a woman talking to someone over the phone and says "Yeah, Im ready ill be right over".

The next scene shows us the same girl leaving her house to join the protest without wearing her hijab.

"At least 362 killed in Iran protests..."  
"No one should be intimidated by a scarf"  
"Women have the right to choose"
