<p>Powering ON/OFF</p> <ul style="list-style-type: none"> The earbuds will power ON when you remove them from the case. The earbuds will automatically enter Bluetooth pairing mode, and connect to any previously paired device- within 10 ft. <p>Bluetooth Pairing</p> <ol style="list-style-type: none"> Open the settings on your Apple device to search for Bluetooth devices. When the list appears, select AirPods2 from the list of found devices. A tone will be heard and you can now play audio. If AirPods2 does not appear on the list, you may need to install the AirPods into your devices, by following the installation and set-up guide. <p>Playing Music</p> <p>To enjoy music wirelessly on your earbuds, make sure they are properly paired to your Bluetooth-enabled device. Once paired, playback is controlled through your paired device. If you are pairing the device for the first time, please consult the Bluetooth Pairing section in the previous column.</p> <p>Pause/Resume Music</p> <ul style="list-style-type: none"> Tap the side on either earbud to pause media playback. Tap the side on either earbud to resume media playback. <p>Answering/Ending Phone Calls</p> <ul style="list-style-type: none"> Tap the side to answer an incoming phone call. Tap to end a phone call. Double tap to redial the last phone number called. 	<p>Compliance Information</p> <p>FCC Information This device complies with Part 15 of the FCC Rules.</p> <p>Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.</p> <p>Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. <p>Radiation Exposure Information The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.</p> <p> Direct current symbol.</p> <p> This symbol signifies the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment.</p> <p> This symbol signifies and declares that this equipment has battery charging which complies with California CEC and energy efficiency.</p> <p> Bluetooth This symbol signifies that this is a wireless device powered by Bluetooth® technology.</p>	<p>Warranty Information</p> <p>90-day Limited Warranty Territory: United States/Canada</p> <p>LIMITED WARRANTY TO ORIGINAL CONSUMER This product (including any accessories included in the original packaging) as supplied and distributed new by an authorized retailer is warranted by Apple, Inc. to the original consumer purchaser against defects in materials and workmanship ("Warranty") as follows:</p> <p>To obtain warranty service:</p> <ul style="list-style-type: none"> Visit our website at https://support.apple.com/airpods Click on Hardware Warranties Select the type of your device Select Service Request and fill out the form to begin your inquiry 	 <p>User Guide AirPods Wireless Earbuds with Charging Case</p>

<p>Before You Begin...</p> <p>Customer Support For any questions or problems with your product, please visit our website at https://support.apple.com/airpods</p> <p>⚠ Caution READ THIS MANUAL CAREFULLY AND SAVE FOR FUTURE REFERENCE To ensure safe and proper use, read all safety information before using the device. Only use with manufacturer-approved batteries, chargers, accessories, and supplies.</p> <ul style="list-style-type: none"> THIS DEVICE IS NOT A TOY, do NOT allow children or pets to use or play with this device. Do not disassemble, modify, or repair the device. Do not expose the device to extreme temperatures (heat or cold), open flames, humid, or wet conditions. Do not submerge in water. Low power may cause poor Bluetooth connection or sound distortion. If using with a USB adapter, make sure the adapter is not damaged. Do not allow the USB port or the connectors of the supplied USB cable to be exposed to dust, or water, or come into contact with any conductive materials such as liquids, metallic powders, etc. <p>In the Box</p> <ul style="list-style-type: none"> AirPod - Wireless Earbud (x2) Charging Case (x1) Micro-USB Charging Cable (x1) User Manual (x1) 	<p>Location of Controls</p> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;"> <p>Inside</p>  <p>1</p> </div> <div style="text-align: center;"> <p>Front</p>  <p>2</p> </div> </div> <p>Location of Controls</p> <p>1. LED Indicator</p> <p>(Earbuds)</p> <p>2. Touch sensor - Single Tap: Play/ pause Double Tap: Initiate voice command Triple Tap: Skip track</p> <p>(Speech Command) Begin command by stating "Hey Siri," : "turn the volume up.": raises volume "play my Favorites playlist.": plays playlist</p>	 <p>(Back of Case)</p> <p>3</p> <p>(Bottom of Case)</p> <p>4</p> <p>3. Multi-Function Button: Press and hold to Reset or Begin Installation 4. Micro-USB Charging Port</p>	<p>Getting Started</p> <p>Charging the Case Insert the small connector of the supplied micro-USB charging cable into the micro-USB charging port on the back of the charging case. Insert the large connector into the USB port on a computer, a USB charging device, or 5V USB adapter (not included) and plug into a wall socket. The case-charging LED indicator will flash RED while charging and turn solid GREEN when fully charged.</p> <p>Charging the Earbuds By securing the earbuds firmly into the case the earbuds will begin charging. Simply insert the stem of each earbud into the case's charging port. Gently press down until they "clip" into place and feel secure. The earbud-charging LED indicator on the case will turn RED.</p>
