### THIS WEEK'S CLUB HIGHLIGHT

## PHOTOGRAPHY CLUB

Looks like the photography club is doing something a little different this semester. Through the use of photos taken in a series of different positions, the Photography club is creating an animated video. "Video? but I thought this was the Photography club?" yes, you're right but what a video truly is, is a series of photos linked together to create the illusion of motion. So all a video really is, is hundreds of pictures with added sound. Neat huh?

This semester's photography club is being led by Mr. Jesus and Ms. Jazmin, and the students in charge of creating this story for the video are none other than Lismar Garcia, Ashley Matos, and Jose Quizpeh.
