Dear Anna and Jason,

Yesterday I took my HMGT1101 students on a site visit. The professional we spoke with gave them some advice, he said "Say Yes". He then told them of the great adventures and success he has found by doing so. With that in mind, I am thrilled that when asked to take on a leadership role in the Living Lab Gen Ed Seminar you both say "YES"!

[I hope that we can meet soon, maybe over lunch, to discuss the transition and details of leading the program.](#)

Wednesdays are best for me to meet for lunch however if that is not good for you I sent some days and times in hopes that we can meet before the end of October.

Tuesday, October 24, 11:30-12:30

Wednesday, October 25, lunch or 1pm-2pm

Monday, October 30, 11am-3pm

Tuesday, October 31 11:30-12:30

Wednesday, November 1, lunch or 10am-2pm

Also, so that you are aware of the scheduled dates for the spring seminar, they are listed here:
