EM

Dear Jason,

that looks great. I think please send it as an EPS file (as that is normally best) and I will submit that, along with the pdf. And could I have a jpeg so I can throw it in the word document that will go out to reviewers?

Thank you and looking forward to seeing you at the MET!

Have a much deserved spring break!

Best,
Lizzie

Lizzie,

The attached pdf reflects your edits. I can make a high res file for publication once you approve.

Do we know the file type the publisher prefers?

Jason
