

Assignment Worksheet for Civic Engagement

Name: Jason Montgomery Department: Architectural Technology

1. Please describe the assignment you plan to use with the General Assessment Pilot for Spring 2016.

Throughout the semester students will be asked to define and research several key terms and ideas relevant to the course of study. One of the central themes to the course is that students will be required to constantly redefine sustainability and their understanding of ideas of resilience

2. Please review the assignment and verify the assignment addresses the performance criteria by checking the box on the right.
