Dear Colleagues,

*Interdisciplinary Team Teaching: A Collaborative Study of High-Impact Practices* will be published by Palgrave Macmillan.

Thank you very much for participating in my yearlong 2018–2019 Scholar on Campus book project workshop series. Thanks too to Sean, Paul, Janet, Reggie, Candido, and Tamrah for presenting and discussing your model chapters with the group.

[I would like to meet as a group twice: once before you begin writing your chapters to ensure everyone has a clear picture of the final product and once after the first draft is complete to review all chapters. We should meet as soon as possible.](#)

[Let me know if you are available to meet on Wednesday, October 30 at 2 PM.](#)

Please note that your complete 6,000-word chapter will be due and submitted for review on **January 21, 2020**. This is a hard deadline.

Best,  
Reneta
