**Guidelines for Designing a Poster

Please have the poster print ready at your scheduled appointment. Because of the limited memory of the poster printer, it is best that you minimize the number of graphics and use a light color for the background and/or text boxes.

There will be two sessions to support students in designing their poster presentations.

- Thursday, October 26
1-2 PM & 4-5 PM
Workshop I: Developing and Delivering Effective Research Presentations
Prof. Jean Hillstrom, Namm 119
- Thursday, November 2
1-2 PM & 4-5 PM
Workshop I: Designing a Research Poster Presentation
Prof. Jean Hillstrom, Namm 119

If you have any concerns or questions, please feel free to contact us. Thank you for your cooperation. We look forward to seeing you at the poster presentation.
