## PROFESSIONAL SUMMARY

A highly motivated and detail-oriented provider with experience in full patient care and dental hygiene services. Has a thorough understanding of dental treatments and a dedication to giving the best care to patients of all ages. Past involvement in physical therapy has equipped me with a distinct understanding of patient care, which offers consolation, comprehension, and encouragement to pursue essential medical attention. Experienced in using modern dental technologies, such as digital radiography and intraoral cameras, to give comprehensive exams and treatments. Proven ability to create relationships with patients and educate them on the value of dental hygiene and preventive care. I am enthusiastic about the opportunity to contribute my unique background and perspective to the dental clinic field.
