Profile

I'm Jonathan, a soon-to-be graduate in Communication Design. My desire is to work with web design, photography, and graphic design. As a curiosity-driven designer, my goal is to develop designs that make life a little easier.

Education

New York City College of Technology | CUNY—Brooklyn, NY
B.F.A Degree in Communication Design, *Expected 2025*, GPA: 3.565

New York City College of Technology | CUNY—Brooklyn, NY
A.A.S Degree in Communication Design, *Awarded 2023*

Thomas A. Edison Career and Technical Education—Queens, NY
High School Diploma, *Awarded 2021*

Design Experience

Interdisciplinary Design Game-Based Learning Lab—Freelancer, *2024*
•Designed a gaming logo, selected and approved by the client.
•Created a website banner based on their design needs.
•Assisted in editing images for use on the website.
•Nominated for membership in the National Society of Collegiate Scholars.

Experience

New York Racing Association—Hot-walker, *2022-Present*
•Walk racehorses after training to help cool-down and recovery.
•Assist with general barn tasks and horse maintenance as needed.
•Collaborate with co-workers to maintain efficiency in a fast-paced setting.

McDonalds—Crew Trainer, *2020-2021*
•Trained new crew members ensuring smooth integration into the team.
•Led shifts in the absence of management when needed.
•Assisted with various restaurant tasks like restock and maintenance.
•Supported grill operations during high-traffic periods.
