PROFESSIONAL SUMMARY

Registered Dental Hygienist with a background as a General Dentist with 5+ years of experience looking to use my prior knowledge in the dental profession to perform comprehensive dental cleanings, exams, and treatments with precision and attention to detail. Eager to expand my knowledge within the field to provide standard of care to every individual. Strong communication skills to educate patients on proper oral hygiene practices and address any concerns effectively with compassion and empathy. Currently seeking to apply my unique combination of dental expertise to deliver exceptional care within a collaborative dental team.
