Louis Vuitton
1 E 57th St, New York,
NY 10022, United States.

Dear Sir/Madam,

I am interested in the merchandising assistant position at Louis Vuitton. I am a fresh graduate from New York College City Technology. I believe that the skills and experiences I have gained from previous works fit for the job of merchandising assistant.

I have a lot of working experience in the fashion industry such as fashion shows, retail, and pattern making which will benefit the open position for the merchandising assistant. Besides that, I can use different software such as Microsoft software and Adobe software which will help with the paper works.

Also, I was graduated from Malaysia college and I am bilingual which helps the company to communicate in different languages such as Chinese, English, and Malay. As I know Louis Vuitton is well selling among the Chinese.

Although I have just recently graduated, my maturity, artistic skill, ability to work with others, and knowledge of the fashion industry and languages will make me an asset for the company.

I have enclosed my resume and hope to hear from you soon. Thank you for your time and consideration.

Sincerely,

Katherine Chooi
