

# Progress Report 2

By: Keyon Gray

# Project

- I will be making a demo reel (video) on the 3D environments that I created with softwares like blender and cinema 4D. The goal of the reel is to highlight environments that I have created.

# Current Challenges

- Technical
  - Modeling items for the environments are

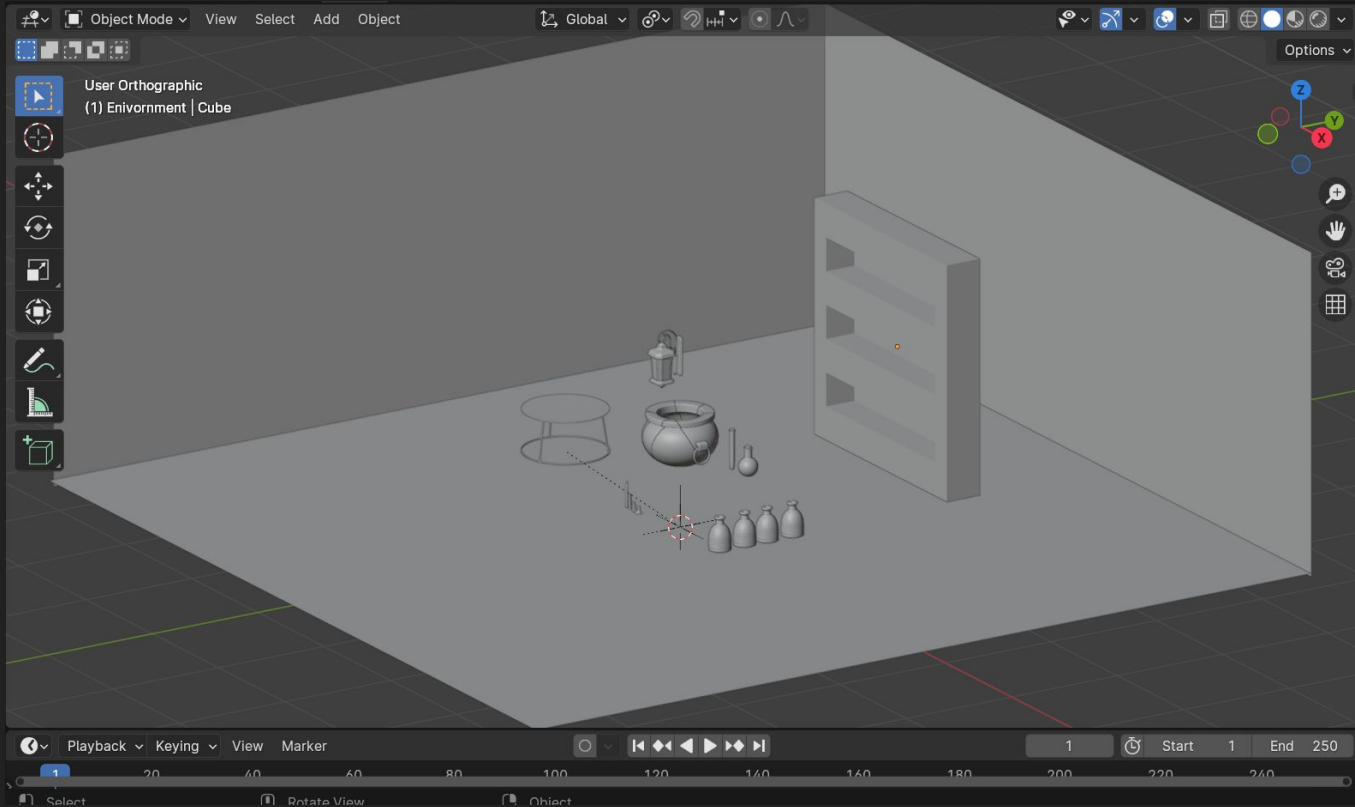

# Feedback from previous report

- Add music to the demo reel
- Add text to tell the audience what each piece in the portfolio is.
- Make a consistent theme in the portfolio
- Have a better flow in the video

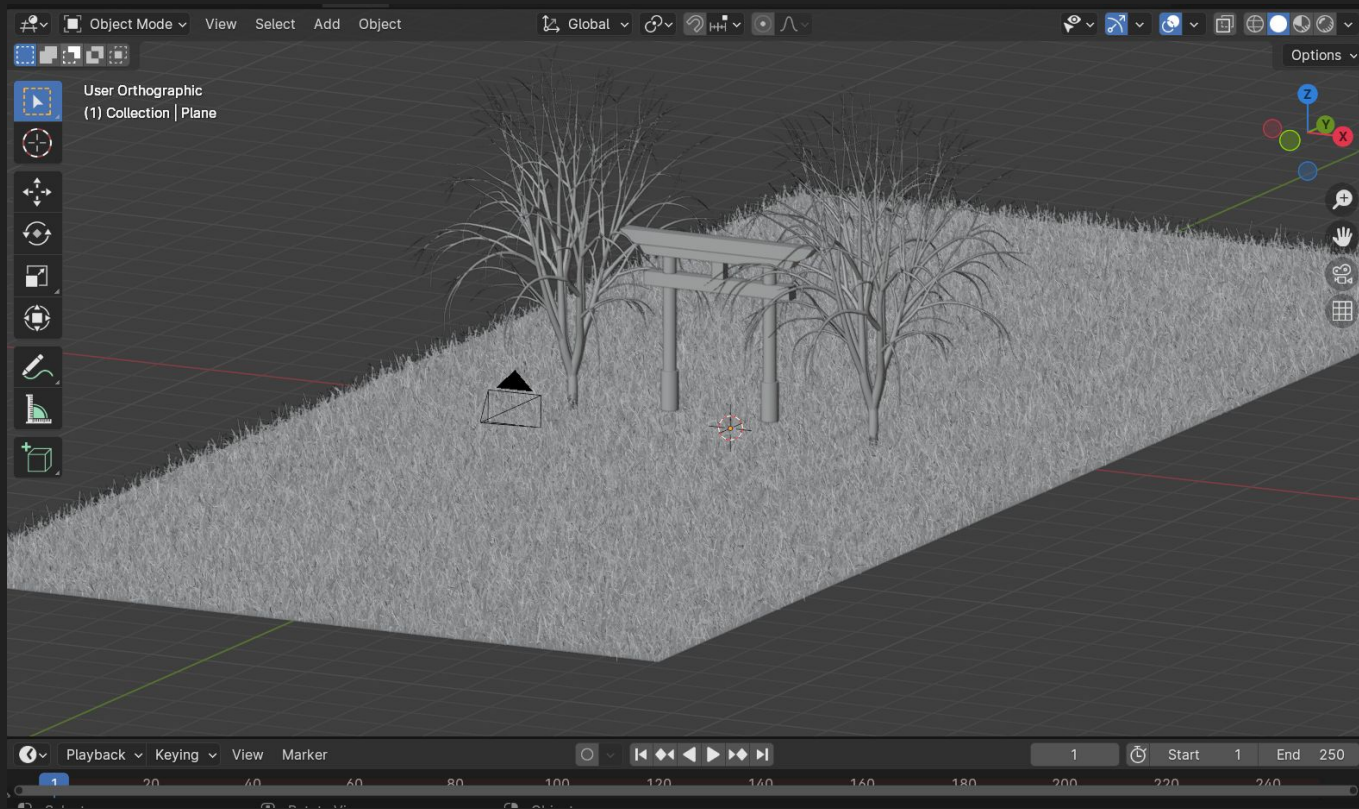

# Currently Working on

- 2 additional scenes
  - Witch Basement
  - Shrine

# Work in progress - Witch basement

# Work in Progress - Shrine

# Current Demo Reel

- [Demo Reel\\_2.mp4](#)
