Hi [REDACTED],

They emailed to say they couldn't send it and then emailed again shortly after to say they could - so you should have received it by now.

The issue was that it was an Honors thesis instead of a regular Thesis and they have different rules about lending them but they made an exception - I let them know we were very grateful.

Glad we could get it for you after all!

Thanks,
Kel

Hi [REDACTED],

We just heard back from the library and they said they are not able to lend or scan the thesis at this time.

Let me know if there's anything else we can help with.

Thanks,
Kel

Hi [REDACTED],

I just wanted to give you an update on ILL TN#56287 - Structural Analysis and Design: The Nave of the Abbey Church of St. Étienne at Nevers.

We are having a hard time tracking down a copy, so I reached out directly to Lafayette College library that holds the item – they have forwarded my email to their Special Collections Dept and I am just waiting to hear back now if they are able to loan it to us.

I just wanted to let you know what was causing the hold up and to let you know that we have been trying to find a copy for you.

Let me know if you have any questions.

Thanks,
Kel
