Ms. Hanaah Frechette  
Company Manager  
Flamenco Vivo Carlota Santana  
4 West 43rd Street, Suite 608  
New York, NY 10036

Dear Ms Frechette:

I enjoyed meeting with you about the web design position at the Flamenco Vivo Carlota Santana Company. I just want to repeat as I said in our meeting that I believe that I am the right person to do this job for you and I want it.

In addition, I will bring to the position strong writing skills, assertiveness and the ability to encourage others to work cooperatively with the department. My design skills background will help me to work with other web designers on staff.

I understand your need for web designers. My detail orientation and organizational skills will help make a great asset to this company. For two summers I have worked as a temporary web designer and this experience has helped me develop my web design skills.

I appreciate the time you took to interview me. I am very interested in working for you and look forward to hearing from you about this position.

Sincerely,  
Luis Brito
