Grading Policy

Grade Range	Letter	GPA	Grade Range	Letter	GPA
93-100	A	4.0	77-79.9	C+	2.3
90-92.9	A-	3.7	70-76.9	C	2.0
87-89.9	B+	3.3	60-69.9	D	1.0
83-86.9	B	3.0	-59.9	F	0.0
80-82.9	B-	2.7			

Technology Requirements
- You may have a **scientific calculator**, but if you have math classes that require MAT1275/MAT1275CO as a prerequisite, then you should obtain a **Texas Instruments TI-84+** series **graphing calculator.** You may borrow one from the library.
- **Internet access**. If you do not have Internet access or a device that can attain access, please follow this link here.
- **City Tech Email Address** as well as your **CUNYFirst Login** credentials.

Important Dates	**Withdrawal Dates**
• Jul 8: First day of semester	• Jul 7: 100% Refund
• Jul 9: Last day to add classes	• Jul 10: 50% Refund
• Jul 16: Test 1	• Jul 11: 25% Refund
• Jul 24: Test 2	• **Aug 5: Last Day to withdraw with a "W" Grade**
• Aug 1: Test 3	
• Aug 8: Final Exam	
• **Aug 12: Final Grades Due**	

Assessment Policy

Method of Assessment	Percentage of Final Grade	Time Given
Homework	30	3classes

- **Site:** http://www.wileyplus.com/go/login
- **Section:**
- Purchase of <mark>WileyPlus is MANDATORY</mark> for the course.
- All WileyPlus assignments will be due one week after assignment. All late work will be worth 50% credit afterward.
- No extensions will be granted.
- Completion of at least 90% of all WileyPlus assignments will automatically be changed to 100% in the final grade.

Method of Assessment	Percentage of Final Grade	Time Given
Test 1, 2, 3	15, 15, 15	60 minutes
Final Exam	25	75 minutes

- You must have a **TI-84 series graphing calculator** on the day of the test.
- On test days, you will not receive a test form unless you submit your cellular phone and/or smartwatches.
- **There will be NO MAKEUP exams.** Any exam you miss or do not submit will count as a 0 toward your final grade.
- Your lowest test grade will be replaced with your Final Exam grade or your highest test grade (whichever is higher).
- Calculators will be reset at the beginning of exams. If something is amiss, the instructor may consider erasing all data on your calculator during the exam.
- **Only methods discussed in class will be graded on your test papers.**
- Any violation of the **Academic Integrity Policy** on a test or exam will result in an automatic 0 and a Faculty Action Report sent to you and the Academic Integrity Committee. Penalties that may be assessed include a 0 as an assessment grade or an automatic failure of the course.
  - An Academic Integrity Policy violation will also result in your lowest grade not being replaced for the semester.
- No extra time will be given to latecomers.
- **Once one student leaves during an examination, no latecomers will be allowed to take the exam.**
- **All students are REQUIRED to take the FINAL EXAM.**
- **Students must pass the final exam with at least a score of 60 to pass this course.** The student's class average before the final exam may dictate that their passing score on the exam needs to be higher than a 60.

Attendance Policy / Class Participation

- Attendance in the classroom is mandatory.
- City Tech Policy mandates that students can have no more than 10% absences without penalty. In this section, that means you are allotted <mark>**2 ABSENCES**</mark>. If you stay, the penalty is having your final grade reduced by a partial-letter grade.
  (e.g., from B to B-)
- Please turn off all electronics while in class. If you absolutely MUST take the call, leave the classroom immediately.
- Please keep OpenLab and/or forum responses civil and respectful if we are using them this semester.
- If you are recognized as making a positive contribution to class discussion or the instructor is informed that you are regularly attending NYCCT-based tutoring outside of class, your final grade may be raised a partial-letter grade (e.g., from C to C+). Note, this will only apply if you are passing with at least a C grade.

The instructor reserves the right to amend to the syllabus in any that he deems academically advisable. Amendments will be announced in class and on OpenLab.
