Grading Policy

<u>Grade Range</u>	<u>Letter</u>	<u>Grade Range</u>	<u>Letter</u>
93-100	A	77-79.9	C+
90-92.9	A-	70-76.9	C
87-89.9	B+	60-69.9	D
83-86.9	B	-59.9	F
80-82.9	B-		

Technology Requirements

- You must have a **Texas Instruments TI-84 graphing calculator**. If you do not have one, you may pick one up at the library, but it must be returned by the next business day.
- **Internet access**. If you do not have Internet access or a device that can attain access, please follow this link [here](#).
- **City Tech Email Address** as well as your **CUNYFirst Login** credentials.
 - **DropBox** - <https://dropbox.cuny.edu>
 - Login using your CUNYFirst Login Credentials
 - Cloud file storage for assignments, tests
 - Generate PDF files for assignments.
 - Assignments will be submitted in a personal folder that I share with you.

Important Dates

- August 25: First class session
- September 2-4: No classes
- September 5: College closed
- September 26-27: No classes
- September 29: Monday Schedule
- October 4-5: No classes
- October 10: College closed
- **October 27: Midterm Grades**
- November 24-27: No classes
- **December 20: Final Exam**
- **December 27: Final Grades**

Withdrawal Dates

- August 24: 100% Refund
- August 31: 75% Refund
- September 7: 50% Refund
- September 14: 25% Refund
- **December 14: Last Day to withdraw with a “W” Grade**

Assessment Policy

<u>Method of Assessment</u>	<u>Percentage of Final Grade</u>	<u>Time Given</u>
WeBWoRk	20	2 classes

- Site: <https://mathww.citytech.cuny.edu/webwork2/MAT1275-F22-Lee-D052/>
- All WeBWoRk assignments will be due two classes after they have been initially assigned.

<u>Method of Assessment</u>	<u>Percentage of Final Grade</u>	<u>Time Given</u>
Test 1, 3	15, 15	50 minutes
Midterm	20	100 minutes
Final Exam	30	100 minutes

- You may have at least a **scientific calculator** (but not greater than **TI-84 series graphing calculator**) on the day of the test.
- On test days, you will not receive a test form unless you submit your cellular phone and/or smartwatches.
- **There will be NO MAKEUP exams.** Any exam you miss or do not submit will count as a 0 toward your final grade.
- Calculators will be reset at the beginning of exams. If something is amiss, the instructor may consider erasing all data on your calculator during the exam.
- **Only methods discussed in class will be graded on your test papers.**
- Any violation of the **Academic Integrity Policy** on a test or exam will result in an automatic 0 and a Faculty Action Report sent to you and the Academic Integrity Committee. Penalties that may be assessed include a 0 as an assessment grade or an automatic failure of the course.
- No extra time will be given to latecomers.
- **Once one student leaves during an examination, no latecomers will be allowed to take the exam.**
- **All students are REQUIRED to take the FINAL EXAM.**
- **Students must pass the final exam with at least a score of 60 to pass this course.** The student's class average before the final exam may dictate that their passing score on the exam needs to be higher than a 60.

Attendance Policy / Class Participation

- Attendance in the classroom is mandatory.
- City Tech Policy mandates that students can have no more than 10% absences without penalty. In this section, that means you are allotted **3 ABSENCES**. After that, I will request that you withdraw from the course. If you stay, the penalty is having your final grade reduced by a partial-letter grade. (e.g., from B to B-)
- Please turn off all electronics while in class. If you absolutely **MUST** take the call, leave the classroom immediately.
- Please keep OpenLab and/or forum responses civil and respectful if we are using them this semester.
- If you are recognized as making a positive contribution to class discussion, your final grade may be raised a partial-letter grade (e.g., from C to C+). Note, this will only apply if you are passing with at least a C grade.

The instructor reserves the right to amend to the syllabus in any that he deems academically advisable. Amendments will be announced in class and on OpenLab.
