## FURTHER RESEARCH

Choose and revise one of your **QUESTIONS for FURTHER RESEARCH** from part 1A of this report.

Revised Research Question:

**What Role did gentrification play in the Atlantic Yards?**

Find a book, article, government document, or map that could help you answer your question.

MLA Citation for Book, Article, Government Document, or Map:

**Leonard, Paul. "'This Arena is a Gentrifying Machine': Atlantic Yards Critics Rally at Barclays"**

**Patch.com. 09 2012. 09 2012**

.

Why did you select this source? How does it address all or part of your research question?

**I selected this source because it is one of many that describes exactly how the Atlantic yards have changed and have been gentrified. This addresses part of my research question because there were promises for affordable homes and jobs in that area but instead there are just privately owned properties now.**

Describe the process you used to find this source including any keywords and the search engine or tool you used to search. If you found it during our Brooklyn Collection site visit, how did you find it?

**The process that I used to find this article was a google search with the keywords Atlantic yards and Gentrification. And I also typed in my question to see if there were any information regarding any parts of it.**

What other sources or further information would help you answer your question? Where would you look for them?

**Some other useful sources would be statistical government public data that would lay out what was the population like before and how it is like now. Also some more articles and books pertaining to gentrification in Brooklyn specifically at the Atlantic Yards. I would look for them online and I would also want to visit the NYPL and the BPL to see if they have any information or data in their archives.**
