

The OpenLab is an open digital platform for teaching, learning, and collaboration, and a key component of City Tech's Title V grant-funded initiative, "A Living Laboratory: Redesigning General Education for a 21st-Century College of Technology."

Interested in finding out more about City Tech's new OpenLab? Join us for a workshop!

Getting Started on the OpenLab

Find out how to collaborate with your students and colleagues on the OpenLab in this introductory session. You will need access to your City Tech email account.

- **August 30 (Thu) 12:45PM - 2:15PM A441 (in the Library)**

Pedagogy on the OpenLab

Learn more about the various methods of course performance and evaluation available on the OpenLab. Please bring your syllabus as well as any other course-related materials.

- **October 10 (Wed) 6:00PM - 7:30PM G604**

Working with Courses on the OpenLab

Bring your questions to this mixed-level session. You will need an account on the OpenLab. Please bring your syllabus as well as any other course-related materials.

- **November 6 (Tue) 12:45PM - 2:15PM G604**

Next Semester on the OpenLab

Consider what changes you will make next semester, learn about new tools, and develop your next course on the OpenLab. You will need an account on the OpenLab. Please bring any course-related materials.

- **December 5 (Wed) 2:30PM - 4:00PM G604**

RSVP to OpenLab@citytech.cuny.edu. Please include the workshop date(s) and time(s), as well as your goal for the workshop.

Workshops are also available by request – contact us at OpenLab@citytech.cuny.edu.

Part-time faculty are eligible to receive a stipend for attending workshops.
