### EXPERIENCE

- **Ziar Dental**—*Dental assistant*

161 Madison Ave, Unit 11E  
New York, NY 10016

Jan. 2022–Present

Assist with periodontal surgeries such as implant surgery, bone graft, tissue graft, osseous surgery, extractions, etc. Expose FMS and BWs.

- **Dental Office**— *Dental assistant*  
41-60 Main St Suite 205, Queens, NY 11355

Jul. 2021– August 2021

Capable of assisting the dentist for prophylaxis, root canal treatments, fillings, implants surgeries and other dental procedures.

- **Hunter College Science Department**—  
*Freshmen ambassador*

Sep. 2019– December 2019

I helped students who have questions about science courses needed for their majors or minors.

- **ELL Program** — *Tutor, Translator*

### Extracurricular Activity

#### **Give Kids A Smile Project**— *Student Clinician*

Feb. 2023

- Participated in the GKAS project held in the school. Provided dental examinations, engine polishing and caries preventive service to elementary children.

#### **Service Learning Project**— *Student Clinician*

Mar. 2023

Buena Vida Rehabilitation and Nursing Center, Bushwick, Brooklyn.

- Provided denture care education to elderly patients and nurses.

Year 2015 - 2018

As a former student of the ELL program, I recognize that it is practically helpful and mentally supportive to students who struggle with English. I often create lesson plans with ELL teachers to help ELL students learn English.

## **EDUCATION**
