Tarin Thomas

The story of Tarin Thomas begins on the lively streets of New York City in 2013. The Stackable Collection, our first collection offered an accessible line of dainty everyday earrings and rings that embodied the Tarin Thomas vision clearly: Jewelry that is functional, elegant, and timeless. Tarin Thomas new styles like the dreamy, unisex 'Flat Top Collection' inspired by land and sea, or the gorgeous Malachite and White Mother of Pearl checkerboard pieces in the 'Lucky You' Collection are innovative and inclusive. All Tarin Thomas pieces are proudly handcrafted in New York City and produced from premium quality metals and precious and semi-precious stones. Tarin Thomas also offers custom collaborations for clients seeking one-of-a-kind special pieces and settings, allowing everyone to create their own designs and story.
